

Origin Gold Announces Application to Amend Warrant Exercise Price and Expiry Date

MONTREAL, May 28, 2019 – Origin Gold Corporation ("**Origin** or the "**Corporation**") (TSX VENTURE: OIC) announces that it has made an application to the TSX Venture (the "**TSXV**") to amend the exercise price and the expiry date of the share purchase warrants (the "**Warrants**") issued in a private placement completed on August 25, 2017, as part of a qualifying transaction as defined under TSXV Policy 2.4 – *Capital Pool Companies* (see Origin's news release dated August 31, 2017).

An aggregate number of 2,550,000 Warrants were initially issued at an exercise price of \$0.25 and with an expiry date of August 25, 2019. The Corporation is seeking to amend the exercise price of the Warrants to \$0.15 and extend the expiry date of the Warrants to February 25, 2021 (the "**Amendments**").

412,500 Warrants are owned by an insider of the Corporation, representing 16.2% of the aggregate number of the Warrants. Pursuant to TSXV Policy 4.1 – *Private Placement*, only 255,000 Warrants owned by the insider may be repriced, representing 10% of the aggregate number of the Warrants.

Since one of the holders of the Warrants is an insider of the Corporation, the Amendments may constitute a "related party transaction" as defined under Regulation 61-101 *respecting Protection of Minority Security Holders in Special Transactions* ("**Regulation 61-101**") and TSXV Policy 5.9 – *Protection of Minority Security Holders in Special Transactions* ("**Policy 5.9**"). However, the Amendments will be exempted from the formal valuation and minority shareholder approval requirements under Regulation 61-101 and Policy 5.9, as neither the fair market value of the Warrants issued to the insider nor the cash consideration paid for such Warrants exceeds 25% of Origin's market capitalization.

The Amendments are subject to the acceptance of the TSXV.
